CONSENT FORM FOR COLLECTION AND USE OF PERSONAL INFORMATION (FULL PRIVACY POLICY ATTACHED)

Your medical record is a confidential document. It is the policy of this practice to maintain security of your personal health information at all times and to ensure that this information is only available to authorised members of staff. This consent form covers collection and use of your information to provide comprehensive, coordinated and continuing holistic medical care. Your information may be disclosed to other health care professionals to provide this level of care. Separate specific consent is required if your information is used for research, statistical or quality assurance purposes or if the practice changes ownership and the services offered are significantly different from those provided by this practice.

By signing this consent form you acknowledge that you agree to your information being collected and used for you by health care professionals. If you have any questions in relation to this consent form, please ask our staff or Doctors.

I have read and understood the consent form provided by the practice, and I consent to the collection and use of my information as described in this consent form.
